well -- when you're off -- you're off!
When I walk outta here today -- I am not checking email -- well, maybe not until tomorrow! ;o)
btw -- a few articles about Dimock in today's news -- Betsaida did the interviews...very puzzling information and quotes...please let your folks know the region had no say -- they were referred to HQ and handled by Betsaida herself.
(I'm sure they are wondering...)
